

# A Beautiful Education

*A course of five weekly evening sessions for teachers, parents and students  
by Paul Moss*

With so many initiatives, reviews and opinions surrounding education, it's easy to lose sight of the basic principles that govern and inspire the true nourishment of children.

This course looks at the simple constants underpinning a caring, full and expansive education. It offers straightforward, practical advice and help to parents, teachers and anyone else with a responsibility of care for the young.

The Course starts 7.00pm Tuesday 1st November at 11 Mandeville Place, London W1U 3AJ and will continue at the same time each Tuesday evening for the following four weeks. Sessions will last 2½ hours with a break for refreshments.

**All warmly welcome.**
